2. Nominees must be the child of an SBEA member in good standing.
3. Nominees must be graduating high school seniors who are accepted at or who have applied for entrance to a:
 - a. Two-year college,
 - b. Four-year college,
 - c. Nursing school, and/or
 - d. Technical training school.
4. The winner must have been accepted into one of the above mentioned types of schools in order to receive the scholarship.

If volunteers from each level are not able to be obtained, representation will be balanced as best as possible at the discretion of the Scholarship Chair. The scholarships will be mailed to the winner(s) during the summer.

NOTE: This scholarship may vary from year and is not guaranteed to be awarded. The actual number of scholarships and the amount to be awarded will be determined each year based on donations to the SBEA Philanthropic Fund.
